## Response to Newspaper Article

Terramin Australia Limited (Terramin or the Company) (ASX: TZN) notes an article in today's Australian Financial Review in relation to its South Australian gold assets including the Bird in Hand Gold Mine. Terramin has not made any decision in relation to the spin-off or sale of its South Australia assets.

As previously disclosed to the market, Terramin has been undertaking a corporate strategic review and has had increasing interest in its South Australian asset portfolio.

The Company has stated that it intends to complete its review by end of Q1 2019 and will keep shareholders informed of progress and of any decisions regarding the aforementioned matters.
